OCTOBER 2018

New Horizon Foods

I am very pleased to announce that effective November 1st 2018 New Horizons Foods has been chosen as the new dietary management company for our community.

For the last 30 years New Horizons has been successful in developing custom culinary hospitality programs for a wide variety of senior communities within an eight state territory. Their resident centered approach allows for the ultimate dining experience for customers. Their tailored programs emphasize their "Back to Basic's" approach, and their competitive niche is driven by their motto "Built on Customer Satisfaction".

We are looking forward to New Horizon Foods to enhance the residents over all dining experience.

"BUILT ON CUSTOMER SATISFACTION"

Reminder On Safety First

Along with the beautiful leaves this fall we will see it is getting dark earlier in the evenings.

We have the outside security cameras, that monitor the outside of our building.

- ♦ Smokers please consider utilizing the smoking area's on the 2nd south and 3rd floor balcony instead of the 1st floor in the evenings.
- ♦ Never prop open a door or open a door to allow someone into the building. Direct everyone to the main entrance for admission.
- ♦ First floor residents are reminded to close and lock their windows before dark. Please call the front desk if assistance is needed.

Everyone's eyes and ears are needed to keep our community safe. Any questions or concerns are never a bother. Please let the front desk or closest staff member know if you have any concerns regarding activity in or outside of the building. It takes a village of residents, staff, family and friends to keep our home a happy, safe place to live. Thank you for making Libby Bortz Assisted Living Center a special place.
