Assisted Living

Expanded Care & Services

Libby Bortz Assisted Living now offers expanded care and services packages to residents that need extra assistance. To serve our expanded care and services residents we have newly renovated apartments located on first floor west wing. This location is convenient to dining and activities for those who need extra assistance.

Our enhanced care and services are at an additional cost. Services include dressing assistance, personal hygiene care (daily grooming), incontinence care management, medication management, bathing assistance, escort to and from meals and activities and other care services.

The levels available are **Level I Rent & Service Package** and **Level II Rent & Service Package**. Below is a description of the packages.

Level I Rent & Service Package: \$3,800.00/month* (private studio apartment) OR \$4,100.00/month* (one-person suite)

- Assistance with medication management which includes a maximum of 15 prescribed medications includes the ordering, storing, and administering of medication
- Cueing and some assistance with dressing, bathing, and incontinence
- Staff management of medical supplies and/or equipment, Oxygen, and oversight of external service providers (home health care)
